APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of the Truckee River heretofore granted under claims Nos. 364 and 364 $\frac{1}{2}$ in the Temporary Restraining Order issued by the District Court of the United States in and for the District of Nevada, In Equity, Docket No. A3, is issued subject to the terms and conditions under said Temporary Restraining Order, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed Fifty-nine (59) acre-feet per year.

Actual construction work shall begin on or before November 1, 1944.

Proof of commencement of work shall be filed before December 1, 1944.

Work must be prosecuted with reasonable diligence and be completed on or before May 1, 1945.

Proof of completion of work shall be filed before June 1, 1945.

Application of water to beneficial use shall be made on or before November 1, 1945.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before December 1, 1945.

WITNESS MY HAND AND SEAL this 1st day

Proof of commencement of work filed OCT 30 1944

Proof of completion of work filed OCT 30 1944

of May, 1944

Proof of Beneficial use filed NOV 28 1944
